

## Halifax Investment Services

---

**Halifax Investment Services** is an Australian (Non-Listed) Public Company, with offices in Melbourne, Sydney, Southport and Auckland. Established in 2000, **Halifax** has grown to offer one of the most comprehensive product lists, providing clients with competitive market access to over 30 stock and futures exchanges across the globe, and all from one account.

**Halifax Investment Services** holds an Australian Financial Services Licence (licence number 225973) and are an ASX broker participant.

The partnership with **Halifax** offers **DIY Super Online** clients a simple route to a one stop shop for all their stock market related investments with numerous benefits. To learn more about Halifax and our services – have a look at our website at [www.halifax.com.au](http://www.halifax.com.au).

### The Halifax Package

- **Discounted Rates** – **DIY Super Online** clients are entitled to reduced brokerage across all global equity markets irrespective of the level of service, with rates starting from \$17.50/trade.
- **End of Year Reports** – The **Halifax** team will do all the hard work for you in compiling your trading annual financial statements and provide them to **DIY Super Online** within the first week of July, saving you the time and hassle and allows you to obtain any tax refund as soon as possible.
- **Investment Advice** – Whilst many clients like to do most of their trading online, you will have a dedicated **Halifax Private Client Advisor** to be on call when you need it. **Halifax's** highly qualified team are licensed to give general advice across a vast array of products and will tailor the service to meet your needs, whether you are just after trade support and a professional opinion to discuss the markets or need **trade recommendations** or a **model portfolio**, **Halifax** will assign the right professional to assist you.
- **Support** – In addition to offering trade support and general advice, your dedicated account manager will be on hand to assist you in opening your account and finding your way around the platform – making what can be at times a daunting task, as simple as possible. **Halifax** also provides 24 hour back office and technical support as well as a night desk from their Sydney office.
- **Products and Platforms** – **Halifax** offers primarily their multi-award-winning **HalifaxOnline** platform. The platform offers real-time quotes, charts, news feeds and analysis from around the globe. **HalifaxOnline** gives you competitive access to Stocks and Contracts for Difference (CFDs) from 29 major exchanges, over 450 Futures contracts, low margins on 160 Forex currency crosses as well as Options, Warrants and Exchange Traded Funds (ETFs).
- **Opening an Account** – **Halifax** has one of the fastest electronic account openings in the market with an online process and Green ID online verification. You can open your account with a zero balance and no fee, there are no accounting keeping fees, and you can start at your own pace with no obligation to trade.
